Capital cities quiz questions and answers pdf full text pdf online

I'm not robot!

(Some notes are hidden in test and strict modes, because they contain hints) The official (and judicial) capital of Bolivia is Sucre - it is the only capital named in the constitution. However, La Paz is the executive and administrative capital, and all government work is carried out here - the de facto capital. World Africa The Americas Asia Australia/Oceania Europe Weekly Trivia Definitions Custom Quizzes CUSTOM QUIZZES Custom quizzes Create your own custom quiz Custom quiz FAQ The question will ask about an area highlighted on the map. Type in your answer. Spelling counts, but accents are not required and are not marked as incorrect. There may be locations where more than one answer is acceptable. If you are signed in, your score will be saved and you can keep track of your progress. This quiz is customizable - you can create your own copy of the quiz and pick the locations you want. Read more about customizable geography map quizzes. The tips box and the important notes box are both draggable, should you need to move them To zoom the screen, use: Windows: Zoom IN by holding down “Ctrl”, and pressing “+” (Ctrl +). Zoom OUT by holding down “Ctrl” and pressing “-” (Ctrl -) Mac: Zoom IN by holding down “command” and pressing “+” (⌘ +). Zoom OUT by holding down “command” and pressing “-” (⌘ -) indicates that the link will show the location on the map. While you can't visit them right now, the world's capital cities are an essential part of any pub quiz - virtual pub quizzes included. So next time you're on House Party, Google Hangouts, Zoom or Messenger go in-depth into your friend and family's geography knowledge with some preset questions on the world's capitals.RadioTimes.com is here with a round devoted to capital cities for you to use at your next online gathering – read on for 20 countries with somewhat obscure capital cities.
